

**Maths Camp: 24<sup>th</sup> – 26<sup>th</sup> February 2017**

Dear Parent/Carer

The Mathematics department are organising an Advanced Higher/Higher/Statistics revision weekend at Kindrogan Field Centre, Blairgowrie on the above dates.

This is the first Maths Camp that Denny High School has organised, however, other schools have run similar events and have reported that their pupils found the weekend extremely beneficial in their preparation for their final exam.

The revision weekend should be viewed as just another strategy to success at Advanced Higher or Higher Maths. We would expect those attending to already be performing well in class, producing good quality homework and demonstrating a positive attitude to their studies.

At present we are applying for grants to help with the cost of the weekend and the final cost would depend on our success with those applications. However, we are hoping that the final cost will be around £125. Included in the price is:

- Two nights accommodation
- All meals
- Transport from Denny High School to Kindrogan, and back
- Approximately 11 and a half hours spent on Maths, taking the form of tutorials, workshops, games and challenges, etc (tutorials/workshops would have approximately 1 teacher to 5 pupils)
- A folder packed with revision materials and stationery
- An afternoon of team building activities, run by the staff at Kindrogan
- A disco/ceilidh on Saturday night (TBC)

Please find attached an outline of the programme for the weekend. To view Kindrogan Field Centre you can visit their website at <http://www.field-studies-council.org/centres/scotland/kindrogan.aspx>

We are looking for expressions of interest at this stage. If your child would be interested in taking part in the revision weekend please complete the tear-off slip below and return it to their class teacher by 30<sup>th</sup> September 2016.

Yours faithfully

Hazel Gardner
